

## ***Barbara Martin Fall Newsletter***

Lots of new things happening as we head into the fall and hopefully cooler weather. My new CD, *Eyes on the Horizon*, is officially out and available for sale. Here's what jazz reviewer Jim Newsom has to say: "The ten-song setlist is all originals, filled with a lyrical sophistication and playfulness that continues to unfold with each listening." Listen to sound clips either on my website: [www.barbaramartinmusic.com/music.php](http://www.barbaramartinmusic.com/music.php) or [www.cdbaby.com/cd/BarbaraMartin](http://www.cdbaby.com/cd/BarbaraMartin) (and you can review the new CD on cdbaby.com) Speaking of websites, my website has a new look with new photos and bio. Hope to see you at one of these fine venues or stop by and say hello on my Facebook page: [www.facebook.com/reqs.php#!/pages/Barbara-Martin-Music/148505047941?ref=ts](http://www.facebook.com/reqs.php#!/pages/Barbara-Martin-Music/148505047941?ref=ts)
