

## ***Barbara Martin Summer Newsletter***

At long last my new CD, *Eyes on the Horizon*, will be out in August or September. It's been a real labor of love and I've been helped along the way by some wonderful friends, Mac Walter, recording engineer and guitarist extraordinaire, Chuck Redd on drums and vibes, Robert Redd, pianist, Steve Wolf, bassist, John Jensen on trombone, Bruce Swaim, saxophonist and Matt Finley on flugelhorn, who all offered their talent and musical expertise.

I have been privileged to become involved with the upcoming 50<sup>th</sup> Anniversary of the Vietnam War Commemoration. My brother Denny died in the Vietnam War, so this has special meaning for me. I will be performing an original song for Sons and Daughter in Touch for their 20<sup>th</sup> Anniversary Father's Day Weekend Commemoration in Washington, DC on June 20 and hope to be involved in other ways with the Commemoration.

This is the season of outdoor concerts, children frolicking in front of the stage and folks gathered on lawns enjoying the music. We've already performed several outdoor concerts and look forward to more this summer. Come join us!
