

## ***Barbara Martin Winter Update***

My biggest news is a brand new beautiful website with lots more bells and whistles, including videos. Check it out at [www.barbaramartinmusic.com](http://www.barbaramartinmusic.com) Winter's coming early to Virginia this year and the air is bristling with change. The world seems to have been on a roller coaster ride lately. Take a break from it all and relax with an evening of music. As the holidays approach we are offering our *Tis the Season* recording with free shipping with discounts for purchasing more than 5 CDs. Listen to sound clips at: [www.barbaramartinmusic.com/music.php](http://www.barbaramartinmusic.com/music.php)
